

MATCH PROUDLY OFFERS A HAND ENGRAVING PROGRAM that will elevate almost any piece from the collection to a unique personal possession or special gift.

A selection of Lettering Styles and Monogram Configurations offers solutions to even the most challenging gifting dilemma.

Your choice of engraving is drawn and engraved entirely by hand. No machine of any kind is used to create your design.

From an elegant monogram or humorous nickname, to a heartfelt message, or an important date, MATCH and its master hand engravers will personalize your pewter for any occasion.

Participating MATCH retailers will be happy to provide more information about MATCH engraving.
